

The 2018-2019 LA Couples program will kick off in January of 2018 and run through June of 2019, with monthly session, typically on weeknights with the occasional Shabbat dinner or Sunday community service day. By participating in LA Couples, you are joining a long line of alumni who have been impacted by the program, the relationships and the Federation. We can't wait to go on this journey with you!
